

Statement to Political Science Students Regarding the Fall 2020 Semester

Welcome back to all Lehigh undergraduate and graduate student Political Science majors! Regardless of how the Fall 2020 semester may evolve, the most important thing to remember is to be safe and continue practicing effective safety measures so that all students and their families, Lehigh colleagues and their families, and the general public can be as healthy as possible. Accordingly, it will not be possible to have unannounced office visits to the Department of Political Science or to the faculty in the department during the Fall 2020 semester. Students who require the assistance of our coordinator, Ms. Terri Hamlin, should contact her directly at teh216@lehigh.edu. Ms. Hamlin is available by email and she can set up a Zoom meeting with individual students if needed. All students should contact their individual instructors about any questions that they may have regarding classes, completion of their degrees, advising matters, and the like. Contact information for all faculty is available at <https://polisci.cas.lehigh.edu/people>. Please do not hesitate to contact me with any questions that I can address. I wish all of you a healthy, rewarding, and intellectually challenging semester at Lehigh University.

Brian Fife

Professor and Chair
